

Bob was here

He loved eating cheeseburgers.

When he was 13 he always ate cheeseburgers.

He then became 32 and still loved cheeseburgers.

We lost Bob!

We'll always miss Bob.

We'll forever honor Bob.

The next time you eat cheeseburgers make sure you honor Bob's memory and always keep him in your thoughts for he was pure of heart and loved cheeseburgers to the very end!
